

# HEARDABOUT

## 4WD clubs answer the call

Four Wheel Drive Victoria and its 75 member clubs have been helping out communities affected by the floods throughout Victoria. Club members have undertaken a range of tasks including clearing and re-standing fence lines, and will continue to assist these rural communities into the future.

## One of the best

*Australian Geographic* has named the Cape to Cape track in WA's southwest as one of the top 10 walking tracks in the country. The track runs from the Cape Naturaliste lighthouse to the Cape Leeuwin lighthouse.

## Tour de Goulburn

The Tour de Goulburn is a series of cycling events to be held from May to September this year and is said to include some of Goulburn's best cycling routes. Goulburn, Australia's first inland city, is about two hours' drive from Sydney and an hour's drive from Canberra.

## Biggest burger

Nindigully Pub, 45km east of St George, Qld, has announced the sixth edition to its mega burger range. The pub now has six burgers weighing in at over 10 kilos, and it takes a minimum of 15 people to eat just one of these mega-creations!

## Pelican rookery

2011 is tipped to offer a fantastic birding experience. Thousands of pelicans have taken up residence at Lake Wyara on Kilcowera Station, Qld, and have established rookeries at several locations. Visiting birdos recently ticked off 85 bird species within 5km of the shearers' quarters. Local vegetation is luxuriant, and will provide plenty of food, cover and nesting materials for the nesting season.

WIN!

## HEMA HN5i IN-CAR GPS NAVIGATOR

**R**ENOWNED 4WD and Outback mapping company Hema has just released an updated and upgraded version of its in-vehicle navigation system, the HN5i. The HN5i uses the same fast and reliable hardware as its predecessor, but there's been a complete software update. It now uses iGo Primo, a premium street navigation product.

"iGo kept showing us the best of everything they had and we took the lot," said Hema Managing Director, Rob Boegheim. "We simply wanted the best navigation system for our customers."

It is not only much more sophisticated and user-friendly, but also allows for greater personal customisation. Plus, it comes with the latest Camps Australia Wide edition 6 sites preloaded. Hema is also offering free street updates to buyers for two years, available in regular, periodic downloads. These updates would normally cost \$100 each.

Of course, all the latest Hema 4WD, touring and Australia TOPO 250K maps are preloaded on a whopping 8GB Micro SD card, ready for use on the HN5i in

both OziExplorer and Memory-Map. The 4WD and touring maps include Hema's Great Desert Tracks and all Hema's state maps from the Australian Road Atlas, and the TOPO 250K map has icons for rest areas, caravan parks, camping areas and more to help with trip planning. The 8GB SD card has 4GB of free space for owners to add their own maps, and the HN5i has a user-friendlier icon-based menu system for 4WD navigation with EZI OZI software. It comes with a 12-month warranty, backed by Hema's dedicated customer support team.

As the market leader in premium on and off-road navigation, the Hema Navigator HN5i is the perfect companion for your next 4WD or Outback adventure! The HN5i GPS costs \$899. Visit [www.hemanavigator.com.au](http://www.hemanavigator.com.au) for more info.

*On The Road* has one Hema Navigator HN5i to give away. To enter our draw, write your name and address on the back of an envelope and send it to On The Road Hema HN5i Giveaway, PO Box 90, Dingley, Vic 3172, to reach us by 30 June 2011.
